Focus on business students and professionals only

Civilekonomerna is a union and interest organization for professionals and students in business and economics in Sweden.

You are eligible to become a student member when you study for a bachelor or a higher degree in business or economics. Student membership is free of charge for a maximum of six years. As a graduate with at least 90 ECTS credits in a Business or Economics major, you are welcome as a professional member and can use the title *Civilekonom*.
